Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

RAM/5500/2014

Mfr's Report Date: March 4, 2014

NHTSA Campaign Number: 14V-100

Components:

EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 195

Problem Description:

Chrysler Group LLC (Chrysler) is recalling certain model year 2014 Ram 5500 trucks manufactured August 14, 2013, through January 7, 2014. The certification label has the incorrect Gross Vehicle Weight Rating (GVWR). Thus, these vehicles do not conform to Federal Motor Vehicle Safety Standard (FMVSS) number 567 "Certification Regulations."

Consequence:

If the Certification Label has the incorrect Gross Vehicle Weight Rating (GVWR), the operator may overload the vehicle, increasing the risk of a crash.

Remedy:

Chrysler will notify owners, and dealers will replace all existing certification labels with corrected certification labels, free of charge. The recall is expected to begin in April 2014. Owners may contact Chrysler at 1-800-853-1403. Chrysler's number associated with this recall is P07.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.
