Subject: Hydraulic Brake Actuators

Dear Mr. Garrett:

This letter serves to acknowledge Contract Manufacturer, LLC's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

CM TRAILERS/CARGO VAN/2012
CM TRAILERS/REVOLUTION/2012

Mfr's Report Date: March 7, 2014

NHTSA Campaign Number: 14V-111

Components:

SERVICE BRAKES, HYDRAULIC

Potential Number of Units Affected: 4

Problem Description:

Contract Manufacturer, LLC (CM Trailers) is recalling certain model year 2012 Cargo Van and Revolution trailers equipped with certain Hydrastar and Hydrastar XL trailer brake actuators produced from October 5, 2011, through December 9, 2011. One of the rotating components in the hydraulic pump missed a heat treat operation causing the actuator to wear at a higher than normal rate. As a result, the hydraulic pump could fail and result in a loss of braking ability in the trailer.

Consequence:

Loss of braking ability can lead to loss of control of the trailer, increasing the risk of a crash, serious injuries, or property damage.

Remedy:

CM Trailers will notify owners, and dealers will replace the hydraulic pumps, free of charge. The recall began on March 21, 2014. Owners may contact CM Trailers at 1-888-268-7577.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,
