Washington, DC 20590

April 24, 2014

Mr. John Kobylarz  
Automotive Safety Office  
Jaguar Land Rover North America, LLC  
555 MacArthur Boulevard  
Mahwah, NJ 07430

NVS-215KS  
14V-163

**Subject:** No Warning of Turn Signal Malfunction/FMVSS 108

Dear Mr. Kobylarz:

This letter serves to acknowledge Jaguar Land Rover North America, LLC's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

LAND ROVER/RANGE ROVER/2014

**Mfr's Report Date:** March 28, 2014

**NHTSA Campaign Number:** 14V-163

**Components:**

ELECTRICAL SYSTEM: SOFTWARE  
EXTERIOR LIGHTING:TURN SIGNAL

**Potential Number of Units Affected:** 5,238

**Problem Description:**

Jaguar Land Rover North America, LLC (Land Rover) is recalling certain model year 2014 Land Rover Range Rover vehicles manufactured from May 7, 2013, to October 10, 2013. In the affected vehicles, the turn signal indicator may not flash at a double rate or click at a double-rate to give a notification to the driver of a front turn signal malfunction. Thus, these vehicles fail to conform to the requirements of Federal Motor Vehicle Safety Standard (FMVSS) No. 108, "Lamps, reflective devices, and associated equipment."

**Consequence:**

Without a warning that a front turn signal is malfunctioning, the driver would continue to use the vehicle, unaware that other drivers on the road are not being notified that the vehicle is turning, increasing the risk of a crash.

**Remedy:**

Land Rover will notify owners, and dealers will update the vehicle software, free of charge. The recall is expected to begin on, or before, May 27, 2014. Land Rover's number for this recall is P042.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

We have received Land Rover's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

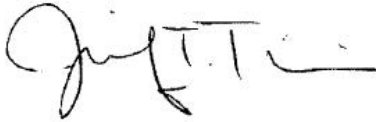

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at [kelly.schuler@dot.gov](mailto:kelly.schuler@dot.gov) or through the office email at [rmd.odi@dot.gov](mailto:rmd.odi@dot.gov). We look forward to working with you.

Sincerely,

Jennifer Timian  
Chief, Recall Management Division  
Office of Defects Investigations  
Enforcement
