EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 164

Problem Description:

Forest River, Inc. (Forest River) is recalling certain model year 2014 Vibe VCT6501, VCT6502, VCT6503, VCT6504, VCT6505 and VCT6506 travel trailers manufactured July 30, 2013, through April 4, 2014. The Federal Certification Label has incorrect tire and gross axle weight rating information listed. As such, the vehicles do not conform to Part 567, "Certification."

Consequence:

If the information printed on the label is incorrect, it may lead to the recreational vehicle being overloaded, resulting in tire failure which would increase the risk of a crash.

Remedy:

Forest River will notify owners and send them replacement Federal Certification and Tire Information labels with the correct information, free of charge. The recall is expected to begin in May 2014. Owners may contact Forest River Customer Service at 1-260-593-0023.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Forest River's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
