Dear Mr. D'Amato:

This letter serves to acknowledge Coach and Equipment Mfg Corp.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

COACH AND EQUIPMENT/METRO LITE/2013
COACH AND EQUIPMENT/PHOENIX/2013

Mfr's Report Date: April 30, 2014

NHTSA Campaign Number: 14V-228

Components:

EQUIPMENT ADAPTIVE

Potential Number of Units Affected: 37

Problem Description:

Coach and Equipment Mfg. Corp. (Coach and Equipment) is recalling certain model year 2013 Metro Lite transit buses manufactured May 2013 through June 2013 and Phoenix transit buses manufactured March 2013 through April 2013 and equipped with certain Ricon S-series and K-series wheelchair lifts, with an optional armored pendant cable. The armored cable may be positioned such that it does not clear the wheelchair lift.

Consequence:

If the cable does not clear the wheel chair lift it may contact the power lug and if it does not have a nonconductive cover, or it has an improperly installed non-conductive cover, then a short circuit may occur that could result in a fire.

Remedy:

Coach and Equipment will notify owners, and Ricon will send the owner a supplemental cover kit and instructions free of charge. The recall is expected to begin in June 2014. Owners may contact Coach and Equipment customer service at 1-315-536-2321 or Ricon Customer Service at 1-800-322-2884 or by e-mail at recall.admin@wabtec.com.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Coach and Equipment's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs.
