FORD/F-550 SD/2009-2014

Mfr's Report Date: June 12, 2014

NHTSA Campaign Number: 14V-327

Components:

EQUIPMENT

Potential Number of Units Affected: 10

Problem Description:

Stahl is recalling certain model year 2009-2014 Ford F-350 Super Duty, F-450 Super Duty, and F-550 Super Duty vehicles modified by Stahl and equipped with certain Muncie Power Products PTO Assemblies. In the affected vehicles, oil may leak from the PTO pressure switch onto a thermal blanket covering the exhaust.

Consequence:

The leaking oil may soak into the thermal blanket covering the exhaust, which when combined with heat from exhaust, may result in an increased risk of fire.

Remedy:

Stahl will notify owners, and dealers will install a new pressure switch kit that moves the switch away from the exhaust system, free of charge. Owners may contact Stahl customer service at 1-800-277-8245, or Muncie at 1-800-367-7867.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Stahl's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
