Mr. Walter Lewis  
Porsche Cars North America, Inc.  
980 Hammond Drive  
Suite 1000  
Atlanta, GA 30328

NVS-215SM  
14V-470

**Subject:** Brake Booster Possibly Damaged During Installation

Dear Mr. Lewis:

This letter serves to acknowledge Porsche Cars North America, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

PORSCHE/MACAN/2015

**Mfr's Report Date:** July 31, 2014

**NHTSA Campaign Number:** 14V-470

**Components:**

SERVICE BRAKES, HYDRAULIC:POWER ASSIST

**Potential Number of Units Affected:** 7

**Problem Description:**

Porsche Cars North America, Inc. (Porsche) is recalling certain model year 2015 Macan vehicles. During manufacturing, the brake booster may have been damaged during installation.

**Consequence:**

If the brake booster was damaged during installation, the vacuum in the brake booster may drop when the brakes are actuated, resulting in a reduced brake force boost, increasing the risk of a crash.

**Remedy:**

Porsche will notify owners, and dealers will inspect and replace the brake booster, as necessary, free of charge. The manufacturer has not yet provided a notification schedule. Owners may contact Porsche customer service at 1-800-545-8039. Porsche's number for this recall is AE02.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

Please be reminded of the following requirements:

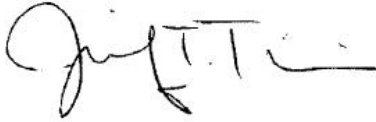

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

You are required to provide an estimated date including month, day, and year, when you will send notifications to owners, dealers, and distributors as soon as it becomes available. Please be reminded that it is required that owners be notified of a safety defect in their vehicles within 60 days of a manufacturer's notification to NHTSA of a safety defect in those vehicles.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Sarah Mcshane who may be reached by phone at 202-366-7401, or by email at [sarah.mcshane@dot.gov](mailto:sarah.mcshane@dot.gov) or through the office email at [rmd.odi@dot.gov](mailto:rmd.odi@dot.gov). We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Timian". The signature is fluid and cursive, with a large initial "J" and "T".
