Mfr's Report Date: September 11, 2014

NHTSA Campaign Number: 14V-556

Components:

AIR BAGS:SIDE/WINDOW

Potential Number of Units Affected: 132,624

Problem Description:

Toyota Motor Engineering & Manufacturing (Toyota) is recalling certain model year 2014 Toyota Tundra CrewMax and Double Cab vehicles manufactured July 29, 2013, to August 22, 2014. Due to the possible misinstallation of the upper tab of the B-pillar interior trim, the Curtain-Shield Air Bags (CSA) may not deploy properly in the event of a crash.

Consequence:

If the Curtain-Shield Air Bags (CSA) do not deploy properly there is an increased risk of occupant injury during a crash.

Remedy:

Toyota will notify owners, and dealers will inspect the B-pillar interior trim installation and will replace it if it is not installed correctly, free of charge. The recall is expected to begin on September 30, 2014. Owners may contact Toyota customer service at 1-800-331-4331.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Toyota's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
