Mfr's Report Date: September 24, 2014

NHTSA Campaign Number: 14V-600

Components:

EQUIPMENT ADAPTIVE

Potential Number of Units Affected: 2,332

Problem Description:

Collins Bus Corporation (Collins) is recalling certain model year 2006-2014 Collins and Mid Bus Super Bantam, Grand Bantam, Super Guide, Grand Guide, DE416WR, DH416WR, and DE516WR school buses manufactured January 1, 2006, to June 16, 2014, and equipped with certain model S2005, S2010, S5005, S5010, S5505, and S5510 wheelchair lifts manufactured by Ricon Corporation. The platform side plate of the affected wheelchair lifts may crack.

Consequence:

If the platform side plates crack, the lift platform can separate from the lift and come to rest against the vehicle's lift door. When the doors are opened, the platform may fall out, increasing the risk of injury to the lift operator.

Remedy:

Collins will notify owners, and dealers will install a supplemental platform support bumper kit. Any platform that has already started cracking will be replaced, free of charge. The recall is expected to begin in November 2014. Owners may contact Collins customer service at 1-800-533-1850 or Ricon customer service at 1-800-322-2884.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Sarah Mcshane who may be reached by phone at 202-366-7401, or by email at sarah.mcshane@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,
