Subject: Incorrect Information On Label/FMVSS 567, 110

Dear David Mihalick:

This letter serves to acknowledge DS Corp DBA Crossroads RV's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

CROSSROADS/CRUISER/2015
CROSSROADS/ZINGER Z-1/2015

Mfr's Report Date: September 24, 2014

NHTSA Campaign Number: 14V-603

Components:

EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 136

Problem Description:

DS Corp doing business as Crossroads RV (Crossroads) is recalling certain model year 2015 Crossroads Zinger Z-1 trailers manufactured March 21, 2014, to September 10, 2014, and 2015 Crossroads Cruiser trailers manufactured April 3, 2014, to September 5, 2014. The affected trailers may have a Federal Certification Label that has incorrect information. The GVWR is overstated by 2,000 lbs. for the Cruiser models and 1,600 lbs for the Zinger Z-1 models, this overstatement caused the Cargo Carrying Capacity (CCC) to be overstated on the Tire Placard label. As such, these vehicles fail to comply with Federal Motor Vehicle Safety Standard No. 110, "Tire Selection and Rims for Passenger Cars" and Part 567, "Certification."

Consequence:

Incorrect GVWR information may result in the trailer being overloaded which could cause sudden tire, axle or suspension failure, increasing the risk of loss of control and a crash.

Remedy:

Crossroads will notify owners, and will send corrected Federal Certification, Tire Placard, and CCC labels to the owners with installation instructions, free of charge. The recall is expected to begin in November 2014. Owners may contact Crossroads customer service at 1-855-226-7496.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

We have received Crossroad's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Sarah Mcshane who may be reached by phone at 202-366-7401, or by email at sarah.mcshane@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,
