Please review the following information to ensure that it conforms to your records as this information is being made available to the public. **Makes/Models/Model Years:**

ENTEGR/A/NTHM/2015  
ENTEGR/A/SPRE/2015

**Mfr's Report Date:** October 1, 2014

**NHTSA Campaign Number:** 14V-615

**Components:**

FUEL SYSTEM, DIESEL

**Potential Number of Units Affected:** 38

**Problem Description:**

Entegra Coach (Entegra) is recalling certain model year 2015 Aspire and Anthem Class A motorhomes manufactured July 18, 2014, to September 17, 2014. The Cummins ISB or ISL engines in these vehicles may have been equipped with Fleetguard UFF-XT fuel filters, part number FF63009, whose filter shell may separate from the fuel filter nut plate causing the engine to stall without warning.

**Consequence:**

If the engine stalls unexpectedly there is an increased risk of a crash.

**Remedy:**

Entegra will notify owners, and Spartan Chassis dealers will work with Cummins to replace the fuel filter with a non-defective one, free of charge. The recall is expected to begin on in November 2014. Owners may contact Entegra customer service at 1-800-945-4787.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

We have received Entegra's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs.
