Subject: Bracket for Suspension Fluid Tank may Fracture

Dear Mr. Larsen:

This letter serves to acknowledge Eldorado National- Kansas's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

ELDORADO/AERO ELITE/2013

Mfr's Report Date: October 29, 2014

NHTSA Campaign Number: 14V-687

Components:

SUSPENSION

Potential Number of Units Affected: 2

Problem Description:

Eldorado National-Kansas (Eldorado) is recalling certain model year 2013 Aero Elite vehicles manufactured May 6, 2013, to June 6, 2013. The affected vehicles are equipped with LiquidSpring-brand aftermarket suspension kits. The mounting bracket that attaches the suspension fluid tank to the frame may fail, allowing the fluid tank to separate from the vehicle.

Consequence:

If the suspension fluid tank mount fractures and the tank separates from the chassis, the tank may become a road hazard, increasing the risk of a crash.

Remedy:

Eldorado has notified owners, and LiquidSpring will install a re-designed bracket, free of charge. The recall began in November 2014. Owners may contact Eldorado customer service at 1-800-850-1287 or LiquidSpring at 1-765-474-7816.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
