Subject: Incorrect Tire Label Information/FMVSS 110

Dear Ms. Tobias:

This letter serves to acknowledge Starcraft RV's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

STARCRAFT/TRAVEL TRAILER 2JY 17SB/2015

Mfr's Report Date: December 8, 2014

NHTSA Campaign Number: 14V-782

Components:

EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 32

Problem Description:

Starcraft RV (Starcraft) is recalling certain model year 2015 Travel Trailer 2JY 17SB manufactured August 27, 2014, to November 10, 2014. The tire labels contain incorrect tire pressure information. The label indicates 65 PSI when the correct tire pressure is 50 PSI. Thus, these vehicles fail to comply with Federal Motor Vehicle Safety Standard (FMVSS) No. 110 "Tire Selection and Rims for Passenger Cars."

Consequence:

Incorrect tire pressure information may cause operators to over inflate the tire, increasing the risk of a tire blow out and a vehicle crash.

Remedy:

Starcraft will mail new labels to owners with replacement instructions. Owners can also request dealers to install the new tire label, free of charge. The recall began on December 10, 2014. Owners may contact Starcraft customer service at 1-800-945-4787.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.
