Subject: Parking Brake Pedal Separation

Dear Mr. Coleman:

This letter serves to acknowledge Blue Bird Body Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

BLUE BIRD/ALL AMERICAN/2015
BLUE BIRD/VISION/2015

Mfr's Report Date: December 15, 2014

NHTSA Campaign Number: 14V-797

Components:

PARKING BRAKE

Potential Number of Units Affected: 2

Problem Description:

Blue Bird Body Company (Blue Bird) is recalling certain model year 2015 Vision non-school buses manufactured July 8, 2015, and All American non-school buses manufactured September 12, 2014. These buses, equipped with hydraulic brakes, may have an incorrectly manufactured parking brake pedal assembly which could separate and bend causing the parking brake not to engage properly.

Consequence:

If the parking brake does not engage properly, the vehicle may unexpectedly move, increasing the risk of a vehicle crash.

Remedy:

Blue Bird will notify owners, and dealers will inspect the date code on the parking brake pedal assembly and will replace the assembly if it is within that date range, free of charge. The recall is expected to begin on January 30, 2015. Owners may contact Blue Bird customer service at 1-478-822-2242.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

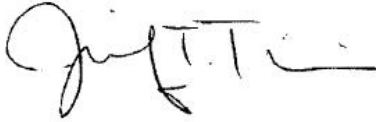

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

The information in your report suggests that Blue Bird may have been aware of this issue more than five business days before filing a report with NHTSA. Please be reminded that under Federal law, this agency is to be notified of all safety defect and/or noncompliance decisions within five business days. 49 CFR 573.6 Significant civil penalties can be assessed for this violation.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Kelly Schuler who may be reached by phone at (202) 366-5227, or by email at kelly.schuler@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Timian". The signature is fluid and cursive, with a long horizontal stroke at the end.
