Subject: Front Lower Control Arms may Fracture

Dear Mr. Lewis:

This letter serves to acknowledge Porsche Cars North America, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

PORSCHE/918/2015

Mfr's Report Date: December 19, 2014

NHTSA Campaign Number: 14V-816

Components:

SUSPENSION:FRONT:CONTROL ARM:LOWER ARM

Potential Number of Units Affected: 39

Problem Description:

Porsche Cars North America, Inc. (Porsche) is recalling certain model year 2015 Porsche 918 vehicles manufactured February 25, 2014, to September 18, 2014. The front lower control arms may fracture.

Consequence:

The fracture of a lower control arm while the vehicle is being driven increases the risk of a crash.

Remedy:

Porsche will notify owners, and dealers will replace the front lower control arms, free of charge. The manufacturer has not yet provided a notification schedule. Owners may contact Porsche customer service at 1-800-767-7243. Porsche's number for this recall is AF01. Note: Owners are advised not to drive their vehicle until it has been remedied. Remedy parts are expected to be available at the end of February 2015.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

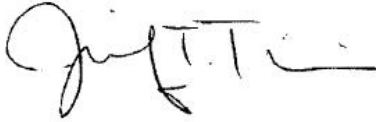

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

You are required to provide an estimated date including month, day, and year, when you will send notifications to owners, dealers, and distributors as soon as it becomes available. Please be reminded that it is required that owners be notified of a safety defect in their vehicles within 60 days of a manufacturer's notification to NHTSA of a safety defect in those vehicles.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Sarah Mcshane who may be reached by phone at 202-366-7401, or by email at sarah.mcshane@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Timian". The signature is fluid and cursive, with a large initial "J" and a long horizontal stroke at the end.
