Re: CrossRoads RV
Defect and Non-Compliance Report – Amended

Dear Ms. Lewis:

On March 20, 2014, CrossRoads submitted notification in accordance with 49CFR Part 573 to make NHTSA aware of safety defect with certain trailers manufactured by CrossRoads. NHTSA has subsequently issued recall number 14V-134 to this issue. CrossRoads is filing this update to increase the number of units in the population affected by this safety defect. In addition, the time range in which the trailers were built has been increased. The new population and date range of manufacture are as follows:

- A. Recall Population and Vehicle Identification. The trailers built with the safety defect are as follows:

<u>Brand Name</u>	<u>Model Name</u>	<u>Model Years Affected</u>
Redwood	Redwood	2014

These trailers were built between March 12, 2013 and February 27, 2014. The total number of trailers subject to this recall campaign is 274.

All other information pertaining to recall #14V-134 remains the same.

If you need any additional information regarding the participation of CrossRoads in this recall campaign, please feel free to contact me at 937-596-6849, Ext. 7363 or contact Jim Izbicki at CrossRoads directly at (260) 593-4390.

Sincerely,

A handwritten signature in black ink, appearing to read "DM Mihalick".
