Chronology :

During an internal inspection in September 2014 it was discovered that some nuts were below specifications. Further inspections and investigations were conducted and after reviewing and determining which lot of nuts was affected, a recall determination was made.

Description of Remedy :

Description of Remedy Program : Vehicles with the defective seat nuts will have all nuts replaced. Champion will allow 15 minutes per seat assembly reimbursement.

How Remedy Component Differs from Recalled Component : NR

Identify How/When Recall Condition was Corrected in Production : Defective nuts were identified in a specific lot during testing. The vehicle destination of those defective nuts was tracked and VIN's identified. Testing revealed that prior and subsequent lots were not defective and therefore did not require a recall.
