RE: Safety Standard Recall Notification A&M Systems
NHTSA Campaign Number 13E-045

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

A&M Systems has decided that a defect which relates to motor vehicle safety exists in certain electric door actuators manufactured August 1, 2009, through March 31, 2010. Voltage spikes may damage electrical components and electrical circuits, causing the circuit board to develop high resistance.

!! IMPORTANT !!

A&M Systems electric header is being recalled. Contact A&M Systems immediately:

A&M Systems, Inc.
4121 Eastland Drive
Elkhart, IN 46516
Phone: 574.522.5000

A&M Systems Recall Coordinator: Nicole Luken
574.522.5000 ext. 15
nluken@anmsystems.com

WHAT IS BEING RECALLED:

This recall applies to certain vehicles with A&M Systems electric door actuators.
