Re:

SAFETY RECALL NOTICE

TO: All TPV Homeland Security Dealers

Oshkosh Corporation has decided that a safety defect exists in certain TPV Technical Protector Vehicles. Accordingly, a recall to address this issue is being initiated effective April 21, 2014.

The defect involves the fuel transfer system on gasoline fueled TPV Homeland Security Vehicles. This defect could result in the discharge of fuel from the fuel cap without warning.

Owners will be notified by mail about the recall and will be instructed to contact Oshkosh Corporation service personnel to schedule the remedy. There is no cost to owners for this recall.

Please be reminded that it is a violation of Federal law for you to sell or lease the vehicles covered by this recall. Substantial civil penalties apply to violations of this law.

Your assistance with this recall is appreciated. Should you have any questions or concerns, please contact our service group at 800 392 9921 and indicate you have a service and technical question.

Sincerely,

Oshkosh Corporation
