October 2014

IMPORTANT SAFETY RECALL CAMPAIGN ANNOUNCEMENT

Recall Campaign # 14V615

Dear Entegra Coach Dealer: - Lazydays – Seffner, FL

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

DEFECT INVOLVED

Entegra Coach has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2015 Aspire and Anthem Class A motorhomes manufactured July 18, 2014 through September 17, 2014. The affected Class A Motorhomes were built on a Spartan Chassis equipped with a Cummins ISB or ISL engine.

The bond that attaches the fuel filter to the filter nut plate may fail. If this occurs, the shell may separate from the fuel filter nut plate, causing the engine to stall without warning and without the ability to restart the engine until the fuel filter is replaced. An unexpected engine stall with the inability to restart the engine may lead to an increased risk of a crash.

Our records show the following unit is currently in your inventory and require the recall remedy:
4VZBU1D99fc079203 – F14T8053

The remedy is to replace the fuel filter at no charge to you and will take approximately 1 hour to complete. Please contact **[Spartan Motor Chassis Inc. Customer Product Support at 1-800-393-8861](#)** for assistance in locating the nearest service center to schedule this repair. The Recall repair will **NOT** be performed by Entegra Coach Dealers.

DEALER CAMPAIGN RESPONSIBILITY

Federal law requires that all units in your inventory be repaired prior to delivery to a customer. If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately to advise of the recall. You may do this by sending a copy of the retail owner recall notice. In addition, Entegra Coach encourages you to follow up with a telephone call to the customer to assist in scheduling the repairs.

Authorized Entegra Coach dealers are to service all vehicles subject to this campaign at no charge to owners, regardless of mileage, age of vehicle or ownership, from this time forward. Recall campaigns should receive the highest priority in your shop because of the safety factor involved and work must be scheduled promptly regardless of where the vehicle was purchased.

If you have any questions regarding this recall or instructions, please contact us on your dealer service line 800-945-4787.

Thank you for your assistance.
