

IMPORTANT SAFETY RECALL

STOP RETAIL SALES and DELIVERY

Suzuki Motor Corporation has determined that a safety defect exists in the following models.

AFFECTED UNITS		
Model	Model Year	VIN Range
GSX-R750L1-L4	2011-2014	All
GSX-R750ZL4	2014	All
GSX-R1000K9-L4	2009-2014	All
GSX-R1000ZL0, L3, L4	2010, 2013, 2014	All

Suzuki Motor Corporation has instituted a safety recall campaign to replace the drive chain adjuster block(s) on affected units. Under certain operating conditions the chain adjuster block may become damaged resulting in improper adjustment of the drive chain. To ensure customer safety and satisfaction, dealers will replace the chain adjuster block on effected units.

Technical Service Bulletin:

Servicing information regarding this safety recall will be available in a Technical Service Bulletin during the week of October 6, 2014.

Parts Availability:

Replacement parts will be available at the time of the Technical Service Bulletin release and can be ordered using normal parts ordering methods. Your dealership may immediately resume retail sales once the recall campaign is completed.

Customer Notification:

Retail customers will be notified of this safety recall beginning approximately the week of October 13, 2014.

It is a violation of Federal law to deliver any new vehicle subject to a safety recall campaign until the defect or noncompliance has been corrected. Additionally, selling a non-repaired unit is a direct violation of your Suzuki dealer agreement and may lead to additional sanctions.
