Subject: Delivery Stop - F56 Seat Backrest Adjustment

Operations, Sales, Service and Parts Personnel

Message Text:

A Delivery Stop has been issued on certain MINI F56 vehicles produced from August 12, 2014 through September 02, 2014. These vehicles may have a malfunction in the seat backrest adjustment.

Affected vehicles in dealer inventory must not be retailed or delivered until this issue is corrected. They have been identified in the Vehicle Comment section of the DCS vehicle history.

Service Information bulletin M52 01 14 has been published and will be updated as parts and repair instructions become available. Please contact your field representatives if you have any questions.

Sincerely, Eugene Aton, Technical Service
