**Subject: Failure to File Required Recall Quarterly Report**

Dear Mr. Lafon:

On August 26, 2015, we wrote to you for Prevost Cars, Inc., informing you that your company had not yet submitted its first quarterly report for the second quarter of 2015 on its recall campaign.

A copy of our message and its delivery receipt is enclosed with this letter.

We still have not received the requested, and required, report. See 49 U.S.C. 30120 and 49 CFR 573.7 and 573.9.

I urge your company to comply with its obligations and file this report through its secure, online recalls account. This documentation is necessary to ensure the proper administration and progress of a safety recall designed to remove products that are defective and/or fail to meet minimum safety standards from U.S. roadways, and a serious responsibility for us both.

Continued failure to produce the required documentation may result in a referral of your company to our Office of Chief Counsel for a potential enforcement action, including injunctive relief and/or civil penalties.

Should you have any questions, please contact Kelly Schuler at (202) 366-5227 or by e-mail at Kelly.schuler@dot.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer T. Timian". The signature is fluid and cursive, with the first name being the most prominent.
