

Cynthia Glass  
Office of Defects Investigation  
National Highway Traffic Safety Administration  
1200 New Jersey Avenue, SE.  
Washington, DC 20590

May 8, 2014

Dear Ms. Glass

Subject: EQ 14-004

The Pierce Manufacturing, Inc. (Pierce) is responding to the agency's April 24, 2014 letter requesting information to support the equipment query 14-004 related to seat belt assemblies manufactured by Indiana Mills and Manufacturing, Inc. and supplied to Pierce for installation into their vehicles.

Per your request, we are providing you the following:

- Defect Information Report (attachment 1)
- Draft owner letter (attachment 2)
- Pierce will begin owner notification approximately May 12, 2014.
- Pierce will complete owner notification approximately May 15, 2014.
- Pierce will complete dealer notification approximately May 15, 2014.

If you require any further information, please contact me –
