NHTSA Recall No. 14V-057

IMPORTANT SAFETY RECALL

Dear Customer:

Vehicle Identification Number 000000000000000000

This **Notice** is sent to you in accordance with the requirements of the United States National Traffic and Motor Vehicle Safety Act.

Midway has decided that a defect which relates to motor vehicle safety exists in certain Pinnacle buses manufactured between August 2009 and May 2010 that have A&M Door Systems installed.

The vehicles subject to this recall campaign were manufactured with the defective door systems. A&M has decided that the affected door headers contain a Model 3230 PC Board that can over-heat and result in a fire.

What We Will Do

Midway has supplied A&M with a complete list of the affected buses. If your bus contains the defective door system, with Model 3230 PC Board it will need to be replaced. This inspection and replacement should take no more than one hour to complete. This inspection and replacement will be done at no cost to you.

What You Should Do

Please refer to the attached Technical Bulletin from A&M. Immediately locate and inspect the affected unit(s) in your fleet. For further information or assistance please contact Nicole Luken of A&M Systems at 574-522-5000 ext. 15. Or David Gilpin of Midway Specialty Vehicles at 574-264-2530 x103 if you experience any trouble regarding the completion of this recall.

Notifications

We have notified the National Highway Traffic Safety Administration of this recall and the procedures involved. Should A&M fail or be unable to correct the defect without charge, you may write to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to lessee within 10 days.

We are sorry to cause this inconvenience; however, we have taken this action in the interest of your safety and continued satisfaction with our buses.

Sincerely,

Brad Brubaker
