## IMPORTANT SAFETY RECALL

### OWNER NOTIFICATION

### NHTSA Recall 14V-142

Dear Nissan Pathfinder Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Nissan has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2103 Nissan Pathfinder vehicles. Our records indicate that you own or lease the Nissan vehicle identified by the VIN on the inside of this notice.

#### Reason for Recall

In some of the affected vehicles, a transmission cooler hose may detach and leak transmission fluid. If this occurs, the warning light will illuminate. If the warning light is ignored, the transmission fluid will drain further and eventually cause the transmission to no longer operate properly and the vehicle will stop accelerating. If the vehicle stops acceleration, it may increase a risk of a crash.

#### What Nissan Will Do

Your Nissan dealer will install a transmission cooler hose repair kit. This free service should take less than an hour. Please note that your Nissan dealer may require your vehicle for a longer period of time based upon their work schedule.

#### What You Should Do

Contact an authorized Nissan dealer at your earliest convenience in order to arrange an appointment to have your vehicle repaired. Please bring this notice with you when you keep your service appointment.

If the dealer fails, or is unable to make the necessary repairs free of charge, you may contact the National Consumer Affairs Department, Nissan North America, Inc. P.O. Box 685003, Franklin, TN 37068-5003. The toll free number is 1-800-NISSAN1 (1-800-647-7261).
