**RE: Non Compliance Recall P040 – Rear Suspension Right-Hand Link Arm-to-Knuckle Fixings
Vehicle Affected: Range Rover Evoque
Model Year: 2014**

National Highway Traffic Safety Administration Recall Number: 14V-155

Dear Range Rover Evoque Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Land Rover has decided that a defect which relates to motor vehicle safety exists in certain 2014 model year Land Rover Range Rover Evoque vehicles. Your vehicle is included in this Recall action.

What is the concern?

A limited number of 2014 model year Range Rover Evoque vehicles may have rear suspension right-hand link arm-to-knuckle fixings which may have been deformed (elongated) during the automated assembly process. When subjected to normal use loading, one or both of the fixings may fracture. Where one or both of the suspension link arm fixings fracture, vehicle stability may be compromised, the Stability Control System (SCS) may not be able to control the sideways vehicle motion and in this condition there is an increased risk of a crash. The driver may report a knocking noise from the rear of the vehicle when driving.

What will Land Rover and your Land Rover Retailer do?

Land Rover is carrying out a recall of the vehicles mentioned above. An authorized Land Rover retailer will replace rear suspension right-hand front and rear link arm-to-knuckles bolts, nuts, and washers. There will be no charge for this repair.

What should you do?

Please contact your authorized Land Rover retailer at your earliest convenience to schedule an appointment to have program P040 completed on your vehicle.

How long will it take?

The work will be carried out as quickly and efficiently as possible in order to minimize inconvenience to customers and is expected to take approximately 45 minutes, although your retailer may need your vehicle for a longer time due to service scheduling requirements.

Attention Leasing Agencies: Please forward this recall notification to the lessee within TEN days
