

IMPORTANT SAFETY RECALL

P23 / NHTSA 14V-235

This notice applies to your vehicle (VIN: xxxxxxxxxxxxxxxxxxxx).

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Dear: (Name)

Chrysler has decided that a defect, which relates to motor vehicle safety, exists in certain **2013 and 2014 model year Fiat 500e Battery Electric Vehicles (BEV)**.

The problem is... **The Power Inverter Module (PIM) on your vehicle may contain cooling plates that leak coolant into areas of high-voltage circuitry. This can result in an overcurrent electrical condition, which will cause the high-voltage battery manual service disconnect fuse to open. An open high-voltage battery manual service disconnect fuse will cause a loss of vehicle propulsion and could cause a crash without warning.**

What your studio will do... **Fiat will repair your vehicle free of charge (parts and labor).** To do this, your studio will replace the Power Inverter Module. The work will take about 3½ hours to complete. However, additional time may be necessary depending on service schedules.

What you must do to ensure your safety... Simply **contact your Fiat studio after July 21, 2014** to schedule a service appointment. Ask the studio to hold the parts for your vehicle or to order them before your appointment. **Please bring this letter with you to your studio.**

If you need help... Please contact the Fiat Customer Assistance Center at 1-888-242-6342.

Please help us update our records by filling out the attached prepaid postcard if any of the conditions listed on the card apply to you or your vehicle.

If you have already experienced this condition and have paid to have it repaired, please send your original receipts and/or other adequate proof of payment to the following address for reimbursement: Chrysler Customer Assistance, P.O. Box 21-8007, Auburn Hills, MI 48321-8007, Attention: Reimbursement. Once we receive and verify the required documents, reimbursement will be sent to you within 60 days.

If your studio fails or is unable to remedy this defect without charge and within a reasonable time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., S.E., Washington, DC 20590, or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to <http://www.safercar.gov>.

We're sorry for any inconvenience, but we are sincerely concerned about your safety. Thank you for your attention to this important matter.
