

IMPORTANT SAFETY RECALL

July 2014

Dear General Motors Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

General Motors has decided that a defect which relates to motor vehicle safety exists in 2014 model year Cadillac CTS vehicles. As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

IMPORTANT

- This notice applies to your 2014 model year Cadillac CTS vehicle, **VIN**_____.
- Your vehicle is involved in GM safety recall 14157.
- Schedule an appointment with your Cadillac dealer on or after August 1, 2014.
- This service will be performed for you at **no charge**.

Why is your vehicle being recalled?

The wiper system may become inoperative after a vehicle jump start with wipers on and restricted (e.g. ice and snow) during jump condition. If the battery loses charge, then it is possible that an unstable voltage in the vehicle can reproduce this condition without an external jump start. With inoperative wipers, the driver would no longer be able to clear rain or snow from the windshield, and depending on weather conditions, visibility could be reduced potentially increasing the risk of a crash.

What will we do?

PARTS ARE NOT CURRENTLY AVAILABLE. When parts are available, your Cadillac dealer will replace the front wiper module. This service will be performed for you at **no charge**. Because of service scheduling requirements, it is likely that your dealer will need your vehicle longer than the actual service correction time of approximately 40 minutes.

We are working as quickly as possible to correct this condition and expect to have sufficient parts to begin repairs by August 1, 2014.

What should you do?

You should contact your Cadillac dealer to arrange a service appointment as soon as possible.

Do you have questions?

If you have questions or concerns that your dealer is unable to resolve, please contact the appropriate Customer Assistance Center at the number listed below.
