IMPORTANT SAFETY RECALL

OWNER NOTIFICATION

NHTSA RECALL 14V-263

Dear Nissan LEAF Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Nissan has decided that a defect that relates to motor vehicle safety exists in some 2014 model year Nissan LEAF vehicles. Our records indicate that you own or lease the vehicle that corresponds to the VIN on the inside of this notice.

Reason for Recall

Certain LEAF vehicles may have been assembled with an incorrect inverter component that contains a lower voltage rating than is required. If the voltage rating is exceeded during operation, it could cause the electric motor to stop running unexpectedly. If this occurs while driving, it may increase the risk of a crash.

What Nissan Will Do

Your Nissan dealer will replace the inverter assembly with a new, correct one. This service, free for parts and labor, may take up to five hours to complete. Your Nissan dealer may require your vehicle for a longer period of time based upon their work schedule.

What You Should Do

Contact your Nissan dealer as soon as possible in order to arrange an appointment to have your vehicle repaired. Please bring this notice with you when you keep your service appointment. Instructions have been sent to your Nissan dealer.

If you have additional questions you may contact the National Consumer Affairs Department, Nissan North America, Inc., P.O. Box 685003, Franklin, TN 37068-5003.
