**NHTSA RECALL # 14V-271
LED CLEARANCE LIGHTS**

June 11, 2014

Dear Tiffin Motorhome Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Tiffin Motorhomes has decided that a defect, which relates to motor vehicle safety, exists on the following models of motorhomes: 2009-2011 Allegro, 2010-2011 Allegro Breeze, 2010-2011 Allegro Bus 2008-2011 Phaeton, and 2008-2011 Zephyr. The specific motorhomes contain LED clearance lights that were manufactured by Command Electronics, Inc. It has been noted that the lights are not sealed well enough to prevent moisture from getting in the light. If moisture gets into the light, it can short out 2 connections that are too close together. This could pose a potential fire hazard.

Tiffin Motorhomes is installing a 1A inline fuse in the front power wire that feeds the other 4 lights in front and a 1A inline fuse in the rear power wire that feed the other 4 lights in the rear of the motorhome. If a shortage were to happen, the fuse will blow and prevent a fire from occurring. Command Electronics, Inc has since redesigned the lights by moving the connections further apart and sealing the lights more securely.

Please do not attempt to repair this yourself. Please take your coach to one of our dealers or a reputable service center to have the repair completed. We are allowing a total of 30 minutes for this repair to be completed. We have enclosed the parts needed to complete this repair along with the instructions for the repair with this letter.

Tiffin Motorhomes, Inc.

Please take this letter, the completion form, the parts and the instructions to your dealer or service center. The enclosed completion form needs to be completed by the dealer or service center and returned with their invoice for payment. This repair will be made at no cost to you.

If you do not own the vehicle that corresponds to the identification number which appears on the Recall Notification, please return the notification to the Tiffin Warranty Department with any information you can furnish that will assist us in locating the present owner. You may also call us at 256-356-8661 xt 2176 or email jeannie.madden@tiffinmotorhomes.com.

If you are unable to have the defect remedied without charge and within a reasonable time after you tender the vehicle for repair, please contact the Tiffin Warranty Department, at 1-256-356-8661, 8:00 a.m. to 3:30 p.m., Central Time. You may also wish to notify the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue SE, Washington DC 20590, or phone 1-888-327-4236 (TTY: 1-800-424-9153): or go to <http://www.safercar.gov>.

Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

We regret any inconvenience this action may cause, but feel certain you understand our interest in motor vehicle safety.
