

IMPORTANT SAFETY RECALL

July 2014

<CustomerName>
<CustomerAddress>

Dear <CustomerName>:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

General Motors has decided that a defect which relates to motor vehicle safety exists in certain 2014 model year Chevrolet Corvette vehicles. As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

IMPORTANT

- This notice applies to your <Year> model year <VINDivisionName> <Vehicle_Name>, **VIN <VIN>**.
- Your vehicle is involved in GM safety recall <Recall>.
- Schedule an appointment with your <DIV_DLR> dealer.
- This service will be performed for you at **no charge**.

Why is your vehicle being recalled?

An internal short circuit may prevent the Sensing and Diagnostic Module (SDM) in your vehicle from providing its required functionality, including air bag and pretensioner deployment. Your vehicle's Air Bag Readiness Light will be continuously illuminated along with a "SERVICE AIR BAG" message in the Instrument Panel Cluster. The automatic Occupant Sensing Passenger Air Bag Status Indicator also will not illuminate. An inoperable SDM may result in the airbags not deploying, increasing the potential for occupant injury in certain kinds of crashes.

What will we do?

Your <DIV_DLR> dealer will replace your vehicle's Sensing and Diagnostic Module. This service will be performed for you at **no charge**. Because of service scheduling requirements, it is likely that your dealer will need your vehicle longer than the actual service correction time of approximately 90 minutes.

What should you do?

You should contact your <DIV_DLR> dealer to arrange a service appointment as soon as possible.

Do you have questions?

If you have questions or concerns that your dealer is unable to resolve, please contact the <VINDivisionName> Customer Assistance Center at <DivCACPhone>.

If after contacting your dealer and the Customer Assistance Center, you are still not satisfied we have done our best to remedy this condition without charge and within a reasonable time, you may wish to write the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590, or call the toll-free Vehicle Safety Hotline at 1.888.327.4236 (TTY 1.800.424.9153), or go to <http://www.safercar.gov>. The National Highway Traffic Safety Administration Campaign ID Number for this recall is 14V299.

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.
