## IMPORTANT SAFETY RECALL

### OWNER NOTIFICATION

### NHTSA Recall 14V-418

Dear Nissan Frontier Crew Cab Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Nissan has decided that a defect that relates to motor vehicle safety exists in certain 2014 model year Nissan Frontier Crew Cab vehicles. Our records indicate that you own or lease the Nissan vehicle identified by the VIN on the cover of this notice.

#### Reason for Recall

On certain Frontier Crew Cab vehicles, the rear seat belt anchor may not have been attached correctly. As a result, the seat belt anchor bolt may become loose. If the bolt comes off completely this may increase the risk of injury to the occupants in the event of a collision.

#### What Nissan Will Do

Your Nissan dealer will inspect the seat belt anchor attachment and repair it if necessary. This service, free for parts and labor, should take about 2 hours to complete, but your Nissan dealer may require your vehicle for a longer period of time based upon their work schedule.

#### What You Should Do

**If you received this notice, we recommended that you do not allow passengers to ride in the rear seats until your vehicle is remedied.** Contact your Nissan dealer at your earliest convenience in order to arrange an appointment to have your vehicle repaired. Please bring this notice with you when you keep your service appointment. Instructions have been sent to your Nissan dealer.
