

## **IMPORTANT RECALL INFORMATION #140827ARG**

### **THIS NOTICE APPLIES TO YOUR VEHICLE**

October 2014

Dear Valued Holiday Rambler Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Allied Recreation Group, Inc. has decided that a defect which relates to motor vehicle safety exists in certain model year 2015 Holiday Rambler Alumascap fifth wheel travel trailers.

#### ***WHAT IS THE PROBLEM?***

Allied Recreation Group, Inc., has become aware that the tire size and tire inflation pressure data printed on your vehicle's Federal Certification Label is incorrect. Owners relying on the information provided on the label may incorrectly inflate their tires, which could contribute to a tire failure that could cause a crash.

#### ***WHAT SHOULD YOU DO?***

Please make certain your travel trailer is immediately inspected and repaired by contacting an authorized ARG dealer.

#### ***WHAT WILL ALLIED RECREATION GROUP DO?***

With your continued satisfaction in mind, it is our intention to have these repairs made at your convenience with as little disruption as possible. Effective immediately, ARG dealers have been supplied with all of the information needed to enable them to replace all four tires and the Federal Certification Label. The corrected, serial number specific label is enclosed.

When you deliver your travel trailer for repair, your dealer will complete a **Repair Order**, which you will need to sign.

Repairs are expected to take less than two hours to complete; however, because of service scheduling times, your dealer may need the vehicle for a longer period of time. This service will be performed for you free of charge. If you have paid to have this concern corrected previously, you may be eligible for reimbursement of your cost for that repair. For more information, please contact Allied Recreation Group at (800) 509-3417.

If you have changed your address or sold the travel trailer, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed ***Vehicle Information Update Card*** and return it to Allied Recreation Group. This will allow us to update our records and if necessary, notify the new owner using the information you provide.

***For leased vehicles - Any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.***

If you are unable to obtain the specified repair promptly and without charge, please contact:
