Dear <Name>:

What is the reason for this notice?

Our records indicate that a SAFETY RECALL has not been completed on this vehicle. There is a possibility that an incorrect A-pillar interior cover was installed on your vehicle during assembly. An incorrect interior cover could alter the performance of the side curtain airbag during deployment, potentially increasing the risk of injury during a crash.

What should you do?

Please contact any authorized Honda dealer to schedule a service appointment. The dealer will inspect the vehicle's A-pillar interior cover and, if necessary, replace it. This work will be done *free of charge*.
