***** IMPORTANT SAFETY RECALL ***
(PROGRAMA DE SEGURIDAD IMPORTANTE)**

**Safety Recall Notice 14S21 / NHTSA Recall 14V-597
Aviso de Revisión de Seguridad 14S21**

2013 MKZ

Your Vehicle Identification Number (VIN):

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

The Lincoln Motor Company has decided that a defect which relates to motor vehicle safety exists in your vehicle, with the VIN shown above.

We apologize for this situation and want to assure you that, with your assistance, we will correct this condition. Our commitment, together with your dealer, is to provide you with the highest level of service and support.

What is the issue?

On your vehicle, the restraints control module may develop a short circuit over time. If this occurs, the airbag warning indicator lamp will illuminate in the instrument cluster and the deployable restraint systems (for example: airbags and side airbag curtains) may not function as intended in the event of a crash, increasing the risk of injury. A short circuit may also affect the function of other systems that use data from the restraints control module, including stability control. If this occurs, the corresponding indicator lamps will also illuminate.

What will Lincoln and your dealer do?

Parts are now available to repair your vehicle. The Lincoln Motor Company has authorized your dealer to replace the restraints control module free of charge (parts and labor).

How long will it take?

The time needed for this repair is less than one-half day. However, due to service scheduling requirements, your dealer may need your vehicle for a longer period of time.

What should you do?

Please call your dealer without delay and request a service date for Safety Recall 14S21. Provide the dealer with the VIN of your vehicle. The VIN is printed near your name at the beginning of this letter.

If you do not already have a servicing dealer, you can access www.Lincolnowner.com for dealer addresses, maps, and driving instructions.

The Lincoln Motor Company wants you to have this safety recall completed on your vehicle. The vehicle owner is responsible for making arrangements to have the work completed. The Lincoln Motor Company can deny coverage for any vehicle damage that may result from the failure to have this recall performed on a timely basis. Therefore, please have this recall performed as soon as possible.

What should you do? (continued)

Please note: Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

Have you previously paid for this repair?

If you have previously paid for a repair that addresses the issue described in this letter, you still need to have this recall performed to ensure the correct parts were used.

You may be eligible for a refund of previously paid repairs. Refunds will only be provided for service related to replacement of the restraints control module. To verify eligibility and expedite reimbursement, give your paid original receipt to your dealer.

Refund requests may also be sent directly to The Lincoln Motor Company. To request your refund from Lincoln, send the refund request with all required documentation, including your original repair receipt (no photocopies), to The Lincoln Motor Company at P.O. Box 6251, Dearborn, Michigan 48121-6251. Refund requests mailed to this address may take up to 60 days to process. Your original receipt will be returned to you.

Detailed information regarding eligibility for Lincoln's reimbursement program and documentation requirements may be obtained by contacting our Customer Relationship Center at 1-866-436-7332.

What if you no longer own this vehicle?

If you no longer own this vehicle, and have an address for the current owner, please forward this letter to the new owner.

You received this notice because government regulations require that notification be sent to the last known owner of record. Our records are based primarily on state registration and title data, which indicate that you are the current owner.

Can we assist you further?

If you have difficulties getting your vehicle repaired promptly and without charge, please contact your dealership's Service Manager for assistance.
