Customer Address 2

October 21, 2014

Units Affected: Broom Badger CH-165 - CH-265

Dear Elgin Customer:

This notice is sent to you in accordance with the requirements of Motor Vehicle Safety Act.

REASON FOR RECALL

Certain Broom Badger sweepers require a modification of the hydraulic oil cooler fan wiring harness. Failure of the oil cooler fan to operate may cause overheating of the hydraulic components and malfunction of related circuits.

WHAT WE WILL DO

A safety recall has been issued for a specific group of Elgin Broom Badger street sweepers. Elgin Sweeper Company will repair this defect free of charge. We will inspect and install new ground wiring for the hydraulic fan circuit .

WHAT YOU SHOULD DO

Please contact your Elgin Dealer as soon as possible to arrange a service date so the dealer may order the necessary parts for the repair. Instructions for making this correction have been sent to your dealer and the parts are available. Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten (10) days.

Your Elgin Dealer is best equipped to obtain parts and provide service to ensure that your Elgin Broom Badger is corrected as promptly as possible. If, however, you take your unit to your dealer on the agreed service date, and they do not remedy this condition within six (6) days of that date, we recommend you contact Elgin Customer Service by calling 1-877-DIAL-ESG (1-877-342-5374).

We regret any inconvenience that this action may cause you. However, we are concerned about your safety. If your dealer fails or is unable to remedy this defect without charge and within a reasonable time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE, Washington, DC 20590, or call the toll-free Vehicle Safety Hotline at 1-888-327-4236; (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Sincerely,

Gary Gembala
