OWNER NOTIFICATION

NHTSA RECALL 14V-668

Dear Infiniti QX56 Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Infiniti has decided that a defect which relates to motor vehicle safety exists in certain 2013 Model year Infiniti QX56 vehicles. Our records indicate that you own or lease the Infiniti vehicle identified by the VIN on the inside of this notice.

Reason for Recall

Infiniti was notified by its supplier that the driver front air bag inflator in your vehicle may have been manufactured out of specification. If a vehicle with an affected air bag inflator is involved in a crash where the driver front air bag is designed to deploy, it is possible that the inflator housing may rupture and deploy abnormally, increasing the risk of an injury to the driver and possibly the front seat occupant.

What Infiniti Will Do

Your Infiniti retailer will replace the affected driver front air bag inflator with a new one. This free service should take 2 hours to complete, but your Infiniti retailer may require your vehicle for a longer period of time based upon their work schedule.

What You Should Do

Contact your Infiniti retailer immediately in order to arrange an appointment to have your vehicle repaired. **We urge you to bring your vehicle in for repair as soon as possible.** Please bring this notice with you when you keep your service appointment. Instructions have been sent to your Infiniti retailer.
