IMPORTANT SAFETY RECALL

OWNER NOTIFICATION

NHTSA Recall 14V-683

Dear Nissan Juke Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Nissan has decided that a defect which relates to motor vehicle safety exists in certain 2012-2014 Model year Nissan Juke vehicles. Our records indicate that you own or lease the Nissan vehicle identified by the VIN on the inside of this notice.

Reason for Recall

Nissan recently discovered that on some of the affected vehicles, the fuel pressure sensor connection may not have been tightened to the correct specification. As a result, the fuel pressure sensor connection may loosen gradually due to heat and vibration. If this occurs, over time, a small amount of fuel may leak from the fuel pressure sensor connection which could increase the risk of a fire in the presence of an ignition source.

What Nissan Will Do

Your Nissan dealer will retighten the fuel pressure sensor to the proper torque specification. This free service should take less than an hour to complete, but your Nissan dealer may require your vehicle for a longer period of time based upon their work schedule.

What You Should Do

Contact your Nissan dealer at your earliest convenience in order to arrange an appointment to have your vehicle repaired. Please bring this notice with you when you keep your service appointment. **If you notice a fuel smell in the cabin of your vehicle, please bring your vehicle into a Nissan dealer for repair as soon as possible.**

If the dealer fails to, or is unable to make the necessary repairs free of charge, you may contact the National Consumer Affairs Department, Nissan North America, Inc. P.O. Box 685003, Franklin, TN 37068-5003. The toll free number is 1-800-NISSAN1 (1-800-647-7261). You may also submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

Thank you for your cooperation. We are indeed sorry for any inconvenience this may cause you.
