IMPORTANT SAFETY RECALL

OWNER NOTIFICATION

NHTSA RECALL 14V-803

Dear Nissan Armada owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Nissan has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2015 Armada vehicles. Our records indicate that you own or lease the Nissan vehicle identified by the VIN on the inside of this notice.

Reason for Recall

On certain Model Year 2015 Armada vehicles, the parking pawl may not engage completely. If this condition occurs, the vehicle may not remain in park when the shifter is in the "P" position. If the transmission were to move out of the park position, the vehicle could roll and potentially cause an injury or accident.

What Nissan Will Do

Your Nissan dealer will inspect the casting date stamp on the outside of the transmission housing and if it is within the affected range, it will be replaced with a new one. This free inspection should take less than an hour to complete, however your Nissan dealer may require your vehicle for a longer period of time based upon whether or not the transmission needs to be replaced and their work schedule.
