

Honda Recall Voice Alert to Customer

NHTSA ID: 14V-109

Date: June 3, 2014

Honda recently mailed to you an important safety recall notice regarding your 2014 Civic. The notice explains that one or more of your tires may have been damaged during installation. Damage to the tire may result in unexpected air loss, making the vehicle more difficult to maneuver and increasing the risk of a crash. Our records indicate that your vehicle has not yet received the recall repair. Please make an appointment to have your vehicle repaired, free of charge, at any authorized Honda dealer. If you need help finding a Honda dealer, or do not receive the notice within five days, please call 1-800-999-1009, and select option 4. Thank you.
