

# P36 Training Video

To begin: Log into DealerConnect

<https://dealerconnect.chrysler.com/portal/Controller/Portal>

# DealerCONNECT

The screenshot displays the DealerCONNECT website interface. At the top, there is a navigation bar with tabs for HOME, SALES, SERVICE CONTRACTS, SERVICE, PARTS, CUSTOMER EXPERIENCE, NETWORK, and TRAINING. The TRAINING tab is selected and highlighted. Below the navigation bar, the page title is "DealerCONNECT > Training".

The main content area is divided into several sections:

- FCA PERFORMANCE INSTITUTE NOTIFICATIONS:** A section with a "View All" link and a message stating, "We have determined there are no eligible communications to display for you." A yellow callout box with the text "1. Training Tab" and "2. Performance Institute Learning Center" is overlaid on this section. A red arrow points from the "TRAINING" tab to this callout box.
- ANNOUNCEMENTS:** A section featuring a banner for "¡MUCHOS IDIOMAS, MUCHOS CURSOS!" with a group photo of people. Below the banner, there is text: "Attention: Service Managers and Technicians" and "As FCA continues to expand globally, branching into new and new languages, the Performance Institute Learning Center strives to stay ahead of the curve by providing technical training in a multitude of languages. For more details, download the documents: Technical Training Multiple Language Set-up Process...click here. Technical Training Multiple Language Course List...click here."
- FCA PERFORMANCE INSTITUTE:** A section with the FCA logo and the text "For all issues concerning Certification and Courses not answered in the 'Resources' section, please call the FCA Performance Institute Hotline at 888-321-4321." A red arrow points from the "Performance Institute Learning Center" link in this section to the callout box.
- MOPAR CAREER AUTOMOTIVE PROGRAM:** A section with the text "Mopar CAP".
- TRAINING RESOURCES:** A section with the text "For complete information about FCA Performance Institute courses, tools and requirements click the eResource link below:" and "FCA Performance Institute eResource Guide".
- Alfa Romeo dealers now have direct access to the Performance Institute Learning Center- Fiat.** A section with the text "The FCA Performance Institute- Alfa Romeo portlet is located on the right hand side of the Performance Institute Learning Center link. While in the Performance Institute Learning Center, check out the news articles, product information and resources specific to Alfa Romeo." and "You can also select My Learning and then the Certification tab to see your Alfa Romeo requirements and launch web courses."
- Attention Dealership Personnel:** A section with the text "The 2015 FCA Performance Institute Certification Recognition Program Rules have been announced." and "To view requirements to qualify for recognition and rewards for all positions...click here."

Have You Earned Your Jeep® Badge of Honor?

# DealerCONNECT

The screenshot displays the DealerCONNECT Learning Center interface. At the top, the 'LearningCenter' logo is visible on the right, and logos for Chrysler, Dodge, Jeep, Ram, and Mopar are on the left. Below the logos is a navigation bar with 'MY LEARNING', 'PRODUCT INFO', and 'RESOU'. The user's name 'Christopher Freeman' and a breadcrumb trail 'You are here: Ho' are shown. A left-hand navigation menu includes 'My Learning Center', 'Certification Management', 'Courses', 'Search Courses', 'Search Offerings', 'Training Calendar', 'Dealers', 'Instructors', 'Reports', 'Resources', and 'Users'. A yellow callout box with a list of steps is overlaid on the 'Courses' and 'Search Courses' menu items. The main content area shows search filters: 'Course Code' with the value 'TT06003', 'Course Name and Description' with the value 'P36', and 'Additional Filters' for 'Brand' with a dropdown menu showing 'Alfa Romeo', 'Business Link', 'Chrysler', 'Chrysler SRT', and 'Dodge'. Red arrows point from the callout box to the 'Courses' menu item, the 'Search Courses' menu item, the 'Course Code' input field, and the 'Course Name and Description' input field.
