# Memorandum

**Subject:** Recall 14V-542

**From:** Cynthia Glass *cg*  
General Engineer, RMD

**To:** Memo to File

**Date:** February 10, 2015

On February 10, 2015, Nicholas Cygnar, Manager Quality Engineering for Denso International America, Inc., verified that the fuel pump modules involved in the above-referenced recall campaign were sold only to General Motors LLC. These fuel pump modules were not sold to any other vehicle manufacturers.

Accordingly, all product manufactured by Denso International America, Inc. and affected by the defect has been recalled, and an Equipment Query investigation is not needed.
