Memorandum

Subject: Recall 14V-565 **Date:** December 30, 2014

From: Cynthia Glass 
General Engineer, RMD

To: Memo to File

On December 23, 2014, Michael Sinnaeve, Global Vice President Operational Improvement and Quality at Magna International, Inc. verified that the secondary hood latches involved in the above-referenced recall campaign were sold only to Nissan North America. These secondary hood latches were not sold to any other vehicle manufacturers.

Accordingly, all product affected by the defect has been recalled and an Equipment Query investigation is not needed.
