Memorandum

Subject: Recall 14V-626 **Date:** May 5, 2015

From: Cynthia Glass *CG*
General Engineer, RMD

To: Memo to File

On May 5, 2015, Tim Meckstroth, Vice President of Engineering for Dexter Axle verified that the torsion arm assemblies involved in the above-referenced recall campaign were specifically designed for and sold to EZ Loader Adjustable Boat Trailers, Inc. These torsion arm assemblies were not sold to any other vehicle manufacturers.

Accordingly, all product affected by the defect has been recalled and an Equipment Query investigation is not needed.
