Subject: 14V656 RECALL REPORT REJECTION FILE NOTICE

Dear Ms. Schuler:

Per our phone conversation on August 11, 2015 in regards to the quarterly report rejection for 14V656 notification dated August 11, 2015. The first two quarters that were reported were for the 42G7 interim repair. The interim portion of the 42G7 recall was replaced with the 42G8 recall final repair April 2015 which will start the reporting cycle over again.

Volkswagen will report the 42G8 final repair for the next six quarters.

Sincerely,

Christopher T. Sandvig
