SUBJECT:
Request to file with NHTSA the initial Part 573 Notice of Defect– COE Warning Lamp

Dear Sir,

We would respectfully like to request you to file the initial 'Part 573' notice of defect with the NHTSA. This notice of defect concerns the red "BRAKE" warning lamp function for COE trucks built beginning February 17, 2011 and ending TBD. The information provided in the attachment complies with the requirements set forth in 49 CFR Part 573.6 "Defect and noncompliance information report" paragraph (C). In order to meet the 5 day reporting requirement the notice of defect should be sent to NHTSA before EOB Monday October 27, 2014.

Your kind attention will be highly appreciated.

Best regards,

Russell Mitchell
