Memorandum

Subject: Recall 14V-690 **Date:** May 15, 2015

From: Cynthia Glass *CG*
General Engineer RMD

To: Memo to File

On May 15, 2015, Mark Curry, Vice President of Furrion, LLC, verified that the power inlets involved in the above-referenced recall campaign were only sold to Airstream. These power inlets were not sold to any other vehicle manufacturers.

Accordingly, all product affected by the defect has either been recalled or quarantined, and an Equipment Query investigation is not needed.
