Memorandum

Subject: Recall 14V-698

From: Cynthia Glass *CG*
General Engineer, RMD

To: Memo to File

Date: June 1, 2015

On June 1, 2015, Manfred Kilian, Managing Director Kirchhoff GMBH & Co. KG, verified that the hood lock components involved in the above-referenced recall campaign were uniquely designed for and only sold to Porsche Germany. These hood lock components were not sold to any other vehicle manufacturers.

Accordingly, all product affected by the defect has been recalled and an Equipment Query investigation is not needed.
