Re: NHTSA Campaign 14V-094 Quarterly Report (2014 Q1)

Dear Ms. Lewis:

Rapiscan Systems Inc. submits this quarterly report under 49 C.F.R. § 573.7.

573.7(b)(1): NHTSA campaign number.

This report relates to NHTSA campaign 14V-094.

573.7(b)(2): Notification date.

Notification has been ongoing since the initial report to NHTSA and involved an ongoing engineering dialogue with the sole customer, the U.S. Customs and Border Protection (CBP), an agency of the U.S. federal government. Most recently, on April 21, 2014, Rapiscan confirmed that repairs eliminating any safety-related defect have been done at no cost to CBP and that CBP has returned the vehicles to service.

573.7(b)(3): Number of vehicles involved.

This campaign involves eleven vehicles.

573.7(b)(4): Number of vehicles inspected and repaired or determined not in need of repair.

Our understanding is that all eleven units have been inspected and repaired.

573.7(b)(5): Number of vehicles determined to be unreachable.

No vehicles were determined to be unreachable.

If you have any questions, please do not hesitate to contact me at (202) 624-2675 or cfalvey@crowell.com.

Sincerely,

Cheryl Falvey /aa
